REASONS FOR ALLOWANCE

The following is an Examiner's Statement of Reasons for Allowance:

The claims are allowable over the prior art for at least the reason that the prior art fails to reasonably teach or suggest wherein said first control circuit instructs-said first optical pumping source whether a pumping light is supplied to said first impurity-doped fiber or is stopped and inserts a signal from said optical transmission line to said second optical amplifier when said pumping light is stopped or a first control circuit for outputting first and second signals for switching a gain of said first and second optical amplifiers or wherein said control circuit instructs said first optical pumping source whether a pumping light is supplied to said first impurity-doped fiber or is stopped, and inserts a signal from a optical transmission line connected to an input-side of said second optical amplifier to said second optical amplifier when said amplifying light is stopped as set forth in the claimed combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
